Week 1

June 19th - 22nd

Session A 9:00-10:30

Incoming 1st and 2nd grade

Language Arts

Ms. Wilson

Students will work on basic language arts skills based on their reading level. These skills will include, but are not limited to, sight word practice, phonics skills, comprehension skills, and grammar skills. Students will practice writing skills, listening skills, and speaking skills as they continue to develop their reading abilities. This class will benefit all students who desire to strengthen their basic reading skills and increase their enjoyment of reading and writing.

Incoming 1st and 2nd grade

Limit: 15 students

Music

Mrs. Luithly

Summer is the best time to get out and explore. Come explore the world of music. You will learn how sound is made, explore acoustic sound with science, and even make your own musical instrument.

818-889-9483

CAMP JAGUAR <http://stjudeschool.org/camp-jaguar/>

Week 1

June 19th - 22nd

Session A 9:00-10:30

**Incoming 3rd, 4th, and 5th grade
Language Arts**

Mrs. Andrea

Students will work on basic language arts skills based on their reading level. These skills will include, but are not limited to, comprehension skills and grammar skills. Students will practice writing skills, listening skills, and reading abilities. We will incorporate technology within the writing processes. This class will benefit all students who desire reading skills and increase their enjoyment of reading and writing.

Incoming 3rd, 4th, and 5th grade

Limit: 15 students

Spanish

Mrs. Perez

Cuidado! (Caution!) Spanish only will be spoken here. But we will be having a lot of fun! We will be doing hands on projects and activities, like step-by-step drawings, playing games, and reading books all in Spanish only. We will end our week by taking a virtual field trip to an art museum to discuss a selection of artwork by artists from Spanish speaking countries.

818-889-9483

CAMP JAGUAR <http://stjudeschool.org/camp-jaguar/>

Week 1

June 19th to 22nd

Session A 9:00-10:30

Incoming 5th to 8th grade

Math and Science: Math and Science Working Together

Mrs. Eckley

Let's combine our math knowledge with Science! Topics will include: Number Sense (Addition, Subtraction, Multiplication, Division of Fractions and Decimals) Expressions & Equations, Measurements & Geometry and Data & Statistics. A variety of activities and a project each week will be completed built and constructed with math and science.

Incoming 5th to 8th grade

Limit: 10 students

Jaguar Survivor

Ms. Pantoja

Jaguar Survivor is a physical education-based class that is geared towards fifth through eighth graders. Teams will not be eliminated from the St. Jude Island, but rather competing for the Spirit Stick and bragging rights over the span of the two weeks. Players will engage in sports tournaments, relay races, scavenger hunts and Minute to Win It games. The same format will continue from the first week to the second week but the particular activities may change.

818-889-9483 **CAMP JAGUAR** <http://stjudeschool.org/camp-jaguar/>

Week 1

June 19th - 22nd

Session A 9:00-10:30

Incoming 6th, 7th, and 8th grade

Current Events and Geography

Mr. Williams

In this class, students will gain a greater understanding and knowledge of local, state, national, and international current events and geography. This is an interactive class, students will be using computers, creating posters, and producing presentations.
